

## CAHSEE

### California High School Exit Exam Student Success Program

**SCC Library**  
Learning Resource Center, 1st Floor  
Tue, Wed & Thur  
3pm - 7pm

**CAHSEE Test Dates**  
May 12-13, 2009  
July 28-29, 2009

The CAHSEE Student Success Program is your key to pass the High School Exit Exam and begin your college career.

#### AIM HIGH

You can still pass the California High School Exit Exam! Sign up for a series of FREE tutoring sessions at Sacramento City College. We provide books, a backpack and study materials. You will receive hands-on English and Math instruction; and test taking skills needed to pass the CAHSEE, earn your diploma, prepare for your first semester at college and expand your future.

#### WHO IS ELIGIBLE?

1. Students from High School graduating classes 2006, 2007 & 2008
2. You did not pass the CAHSEE (Math and/or English)
3. You have not completed your credit requirements for H.S. graduation

For more information contact: Farough Tabrizi, CAHSEE Project Coordinator  
(916) 650-2745, tabrizF@scc.losrios.edu

**For most people the purchase of a home represents much more than a good financial investment. Buying a home is the realization of a dream - a dream tied to a vision of the future that is filled with optimism and joy.**

## GET READY TO BUY IN 2009!

Regardless of your individual reason for beginning the journey toward buying a home, we at Coldwell Banker Dunnigan Co. know full well how daunting the process can seem. That's why we like to begin with an in-person Buyer Consultation. Your Sales Associate will help you identify and clarify your requirements for your new home and then give you a good idea what to expect when you proceed with your home search.

Your Sales Associate will stay with you every step of the way, diligently searching the current inventory of available homes to find ones that will meet your expectations. He or she will also network in any specific neighborhood you're interested in.

Keep in mind that your Coldwell Banker Dunnigan Sales Associate can show you any home on the market even if it's listed with another real estate agency. So if you see a For Sale sign, an ad in the paper or a listing on the internet you'd like to know more about your Coldwell Banker Dunnigan Co. Sales Associate is your best resource for the details you need to decide if a house is worth seeing in person.

Your Sales Associate will also introduce you to our Coldwell Banker Dunnigan mortgage affiliate who will help you with getting a mortgage credit approval now and later provide a host of other services to make your home purchase and move easier.

## BUY YOUR FIRST HOME NOW & SAVE \$8,000 ON YOUR INCOME TAXES!

**The Government is Helping Americans Buy Their First Home. What an incredible opportunity for first-time homebuyers!**

In addition to a huge selection of homes to choose from, the near-record low interest rates on solid, 30-year fixed rate mortgages, and far more affordable prices, first-time homebuyers now have the added incentive of a \$8,000 federal income tax credit to help them buy their first home!\*

### Attention to all home buyers!

As part of the recently-passed state budget, California enacted a \$10,000 state tax credit for some individuals who purchase a new, previously unoccupied home.

The state put a limit of \$100 million for the program and will allocate the tax credit to homebuyers on a first-come, first-served basis.

### Stop paying rent. Become a homeowner instead!

One simple phone call to a Coldwell Banker Dunnigan sales office will get you on the road to homeownership. Meet with a friendly, knowledgeable Coldwell Banker Dunnigan real estate agent. While you're at it, meet with a loan officer in the same location and get pre-qualified for a mortgage.

\*Legislation has just been passed by Congress and signed by the President, granting first-time homebuyers a tax credit of up to \$8,000 on their federal income tax return if they purchase a home now through December 1, 2009. Certain restrictions apply. Please consult with your tax advisor.

Irene Senst, Independent Associates

**ADRS**  
916.640.3820  
citrms\_info@yahoo.com

As a business owner, you know there are laws every business must follow. However, results of a recent survey by z/Telligence and Fellows Inc., (July 2005), showed only 13.1% of business owners recognize the term "FACTA." That could mean that nearly 87% of all business owners aren't aware that FACTA:

- Is federal legislation that went into effect June 2005
- Can shut your business down whether you have two or two thousand employees
- Can result in major fines to you and your business by the FTC for non-compliance
- Provides another avenue for lawyers to file lawsuits against your business on behalf of customers or employees

FACTA is only one piece of legislation that affects your business. There are others:

- HIPAA Security Rule
- Gramm, Leach, Bliley (GLB) Safeguard Rule
- Numerous individual state laws (such as the Texas Whistle Blower Statue)

**Hydrex Pest Control** has offered Effective Termite and Pest Control Services to Sacramento Area Homeowners since 1990. Honest values and courteous service are the way we do business. If you have a pest problem, give us a call and we will give you a free quote; most homes are priced at \$68 on a bi-monthly service agreement. This service includes removal of cob-webs on the 1st story exterior as well as exterior treatment and interior treatment as needed. (SEE COUPON)

If you see what you suspect to be Termites, we will send an experienced Termite Inspector to your home FREE of charge to identify them and offer a quote to treat them. They can also give you a price to repair termite damaged or dry rotted wood. If you are selling your home, call us for a complete Termite inspection. (SEE COUPON)

**Subterranean termites** live deep down in the soil so the goal of a subterranean termite treatment is to create a continuous barrier of treated soil between the termite colony in the ground, and your home.

The chemical we use "Termidor"™ is virtually odorless. Termites are highly social. Because of this, grooming, feeding, and colony maintenance spread the chemical, eventually eliminating the whole colony.

In structures with raised foundations, treatment is highly concentrated around footings, piers, and plumbing in the sub-area. Termites are more likely to build their tubes along these areas. Then the remainder of the soil is treated to stop and prevent any freestanding termite activity.

If the house is built using slab construction holes may need to be drilled through slab sidewalks, patios, cracks in slab and garage areas to treat the soil by injection of chemical.

## GOT TERMITES?

### DIFFERENCE BETWEEN WINGED ANT and TERMITE SWARMER

#### WINGED ANT

- \* ELBOWED ANTENNAE
- \* FORE WINGS LARGER THAN HIND WINGS
- \* VERY NARROW WAIST

#### TERMITE SWARMER

- Our goal is your satisfaction
- Senior discounts
- All work guaranteed

#### GOOD NEWS IN A BAD ECONOMY

Let's face it. We can all use a little good news these days. On February 17, 2009, President Obama signed The American Recovery and Reinvestment act of 2009. This bill includes tax credits up to \$1500 available to consumers, for the installation of a new qualifying heating and air conditioning system.

Tax Credits, Rebates, and Interest Free Financing make it the ideal time to consider a new system. If your heating and air conditioning system is over 12 years old, there's no better time to replace it!

#### CUSTOMER SATISFACTION WILL ALWAYS BE OUR #1 GOAL

Service...is a word we take very seriously at Bonney! Our goal is for you to be 100% satisfied with each and every service or installation we provide for you and your family or your business. Our main business is taking care of your plumbing, drain clearing, heating and air conditioning systems and WE SERVICE ALL BRANDS, not just the ones we install.

#### PREVENTATIVE MAINTENANCE SAVES YOU MONEY

Out of sight, out of mind is the #1 reason that Heating and Cooling systems are neglected and not properly maintained. HVAC systems are typically installed where we can't see them - making them easy to ignore. When HVAC systems aren't maintained, they can break down when you need them the most.

#### ENJOY UP TO 99.98% CLEANER AIR

Seasonal allergies? Make your home a better place to live. TRANE CleanEffects™ removes more airborne allergens from the filtered air in your home than any other cleaning system, up to 100 times more than a standard 1" filter. Ask Bonney about adding the TRANE CleanEffects air filtration system and ActivTek Induct 2000 air purifier to your new or existing heating and cooling system.

**Straight forward pricing. No pressure. No gimmicks. Financing to fit just about any budget.**
