DID YOU KNOW THAT NON-COMPLIANCE WITH FEDERAL LAWS COULD COST YOU PERSONALLY, OR COST YOUR BUSINESS UP TO \$1,000,000 IN FINES AND UP TO 10 YEARS IN PRISON.

As a business owner, you know there are laws every business must follow. However, results of a recent survey by zTelligence and Fellows Inc., (July 2005), showed only 13.1% of business owners recognize the term "FACTA." That could mean that nearly 87% of all business owners aren't aware that FACTA:

- Is federal legislation that went into effect June 2005
- Can shut your business down whether you have two or two thousand employees
- Can result in major fines to you and your business by the FTC for non-compliance
- Provides another avenue for lawyers to file lawsuits against your business on behalf of customers or employees

FACTA is only one piece of legislation that affects your business. There are others:

- HIPAA Security Rule
- Gramm, Leach, Biley (GLB) Safeguard Rule
- Numerous individual state laws (such as the Texas Whistle Blower Statue)

We Can Help.
 Our Affirmative Defense Response System™ (ADRS) can help your business at virtually no cost. To learn more, please make the call.
